BIA Foundation Grant Request
Criteria and Process

The BIA Foundation welcomes grant applications from non-profit organizations serving the central Ohio community. Grants are considered twice a year by the BIA Foundation.

2020 Deadlines:

Spring: April 10, 2020
Fall: October 9, 2020

Eligibility Criteria:

- Must be registered with the State of Ohio as a non-profit organization
- Must support the mission and vision of The BIA Foundation:
  - Support residential construction training and placement initiatives
  - Create awareness of the residential construction industry as a career
- Must be in compliance with reporting requirements if prior BIA Foundation grants were received.

Priorities for Funding:

- The project is likely to continue and expand after the grant period expires
- Applicant has explored other potential funding sources
- Grant award will serve as “seed money” for new and dynamic projects
- The project stimulates cooperation among agencies without duplication of services
- Foundation support would be vital or important to project success
- Innovative and efficient use of funds is demonstrated
- The project is a well-planned approach to solving a problem, delivering services or providing opportunities
- The project impacts a segment of the community or assists those who are not being adequately served by existing resources

Follow-up Report:

A follow-up report will be due within nine months of receiving funds. Failure to submit the grant follow-up report in a timely and complete manner could result in a disapproval of future grant applications. Follow-up report should include:

- How funds were spent
- A description of activities, outcomes, community impact of the project
- Examples of publications/collateral that demonstrate use of the BIA Foundation logo, verbal/written credit of the BIA Foundation’s support and any other manner where the BIA Foundation’s support was included
